End User License Agreement

IMPORTANT : READ THE FOLLOWING TERMS AND CONDITIONS CAREFULLY BEFORE CONTINUING THIS INSTALLATION.

IF YOU DO **NOT** AGREE WITH THESE TERMS AND CONDITIONS, PROMPTLY REMOVE THE SOFTWARE FROM YOUR COMPUTER AND RETURN THE SOFTWARE, INCLUDING THE DOCUMENTATION, TO YOUR **SUPPLIER** AND YOUR MONEY WILL BE REFUNDED. IF YOU DOWNLOADED THIS SOFTWARE, PLEASE REMOVE THE SOFTWARE FROM YOUR COMPUTER AND CONTACT YOUR SUPPLIER TO REQUEST A REFUND.

In this license agreement (the "License Agreement"), you (either **individual** or an entity), the purchaser of the license rights granted by this License Agreement, are referred to as "licensee" or "You". **Honest Technology** is referred to as the "Licensor". The current version of the accompanying software ("Software") and documentation ("Documentation") are collectively referred to as the "Licensed Product". Licensor may furnish hardware with the Licensed Product ("Hardware")

1. License

In accordance with the terms and conditions of this License Agreement, the Software is the property of the Licensor and is protected by Copyright Law. While the Licensor continues to own the Software, the Licensor grants the Licensee, after Licensee's acceptance of this License Agreement, the Limited, non-exclusive license to use on copy of the current version of Licensed Product as described below. The Software is "used" on a computer when it is loaded into the temporary memory (i.e., RAM) or installed into the permanent memory (e.g., hard disk, CD-ROM, or other storage device) of that computer, except that a copy installed on a network server for the sole purpose of distribution to another computer is not considered "in use". Except as may be modified by a license addendum which accompanies this License Agreement, the Licensee's rights and obligations with respect to the use of this Software are as follows:

You May,

1. Use the Software for commercial or business purposes in the manner described in the Documentation.
2. Use the Software to share Internet connection, transfer data, files and images among the computer in the manner described in the Documentation.

You May Not,

- I. Copy the documentation that accompanies Software.
 - II. Sublicense or lease any portion of the Software.
 - III. Make illegal duplication of the software.
- 2. Copyright and Trade Secrets.** All rights in and to the Licensed Product including, but not limited to, copyrights and trade secrets rights, belong to Licensor, and Licensor holds title to each copy of the Software. The licensed Product is protected by United States Copyright Laws and international treaty Provisions.
- 3. Term.** This License Agreement is effective until terminated. Licensee may terminate this License Agreement if Licensee breaches any of the terms and conditions herein. Upon termination of this License Agreement for any reason, Licensee shall return to Licensor or otherwise destroy the Licensed Product and all copies of the Licensed Product. Upon request of Licensor, Licensee agrees to certify in writing that all copies of the Software have been destroyed or returned to Licensor. All provisions of this Agreement relating to disclaimers of warranties, limitation of liability, remedies, or damages, and Licensor's proprietary rights shall survive termination.
- 4. Executable Code.** The Software is delivered in executable code only. Licensee shall not reverse engineer, compile or otherwise disassemble the Software.

5. Limited Warranty

- a. Licensor does not warrant that the functions contained in the Licensed Product and Hardware will meet Licensee's requirements or that the operation of the Software and Hardware will be uninterrupted or error-free. Licensor does warrant that the media on which the Software is furnished and the hardware will be free from defects in materials and workmanship under normal use for a period of thirty (30) days from the date of delivery ("Warranty Period"). This Limited Warranty is void of failure of the media on which the Software is furnished has resulted from accident, abuse, or misapplications.
- b. EXCEPT AS PROVIDED ABOVE, THE LICENSED PRODUCT IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AND THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE LICNESED PRODUCT AND HARDWARE IS WITH LICENSE.

6. Limitation of Liability

- a. Licensor's sole obligation or liability and licensee's exclusive remedy under this agreement shall be the replacement of the defective media on which the software is furnished and/or the hardware according to the limited warranty above.
- b. In no event will licensor be liable for any consequential, incidental or indirect damages including, without limitation, any loss of data or information, loss of profits, loss savings, business interruption or other pecuniary loss, arising out of use of or liability to use the software or documentation or any hardware, even if licensor has been advised of the possibility of such damages, or for any claim by any third party.

7. General

- a. Any Software and Hardware provided to Licensee by Licensor shall not be exported or re-exported in violation of any export provisions of the United States or any other applicable jurisdiction. Any attempt to sublicense, assign or transfer any of the rights, duties or obligations hereunder is void. This Agreement shall be governed by and interpreted under the laws of the State of New Jersey, United States of America, without regard to its conflicts of law provisions. Licensor and Licensee agree that the U.N. Convention on Contracts for the International Sales of Goods shall not apply to this License Agreement.
- b. This License Agreement may only be modified or amended by a written license addendum that accompanies this License Agreement or by written document that has been signed by both you and Licensor. Site licenses and other types of enterprise licenses are available upon request. Pleas contact Licensor or your supplier for further information.
- c. Any controversy or claim arising out of or relating to this Agreement, or the breach of this Agreement, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules and Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. The arbitration shall be held in New Jersey, United States of America.

If you have any other questions concerning this License Agreement, or if you desire to contact Licensor for any reason, please contact Honest Technology.

1. Introduction

1.1. Features

honestech DVD Player automatically determines the type of disc in your DVD drive and uses the correct playback method for the DVD. *honestech* DVD Player also provides the following features.

- Easy-to-use user interface that displays the movie title, chapter, and playback time.
- Movie Slide function to jump to a different scene, or capture screen shots.
- Supports SPDIF (Sony/Philips Digital Interface).
- View Angle feature allows you to change the viewing angle of the movie.
- Easily change the skins of *honestech* DVD Player.
- Supports Dolby Digital Audio (AC-3 and Dolby Pro Logic II)
 - AC-3 Digital Audio - Dolby Digital
Based upon the transform coding techniques and psychoacoustic principles of the AC-2 system, Dolby Digital (AC-3) provides flexible coding of up to 5.1 audio channels (five full-range channels plus a low-frequency effects channel) at a variety of data rates.
 - Dolby Pro Logic II
Dolby Surround Pro Logic II is the next generation in Dolby Surround decoding. Through the use of an elegant new approach to matrix surround decoding, Pro Logic II not only bridges the gap between Pro Logic and Dolby Digital, but also decodes all existing Dolby Surround programs with improved spatiality and directionality.
 - Manufactured under license from Dolby Laboratories. "Dolby", "Pro Logic", and the double-D symbol are trademarks of Dolby Laboratories. Confidential unpublished works. Copyright 1992.1997 Dolby Laboratories. All rights reserved.
 - Windows, DirectShow 8.1 and Windows Media Player 6.4 are registered trademarks of Microsoft.

1.2. How to use

	Function	Description	Hot Key
1	Open	Select source media to be played.	[ALT + O]
2	Close	Close <i>honestech</i> DVD Player.	[ALT + X]

1.3. Minimum System Requirements

- Supports Windows Vista, XP, 2000, ME
- Intel Pentium III 500M Hz or higher (Pentium 4 1.6 GHz equivalent or higher recommended).
- 256 MB RAM or higher.
- Optical drives (including DVD-ROM, DVD-R/RW, DVD-RAM, DVD+R/RW, DVD-Dual, DVD-Multi, and DVD-ROM/CD-RW) with IEEE 1394, USB2.0, ATAPI, SCSI, or CardBus interfaces.
- Audio device including PCI sound card, USB Audio Device, or built-in sound card.
- 60 MB of available hard drive space.
- AGP or PCI Express graphic accelerator that supports DirectDraw overlay.
1024 x 768 screen resolution or higher.
- Supports 4:3 or 16:9 screen size.

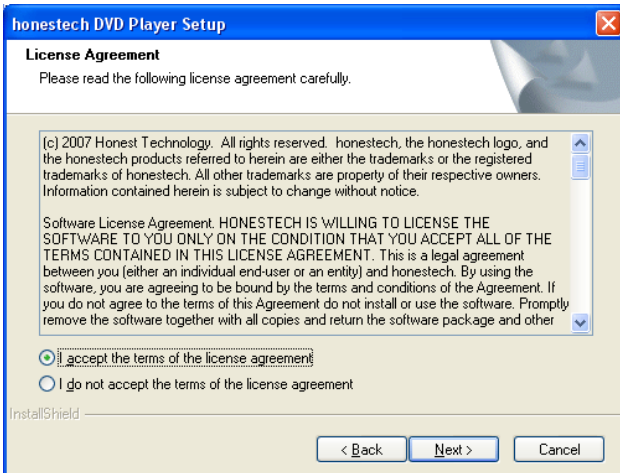

2. honestech DVD Player Installation

2.1. Insert the installation CD into your CD/DVD drive.

The following welcome screen will appear. Click **[Next >]** to continue.

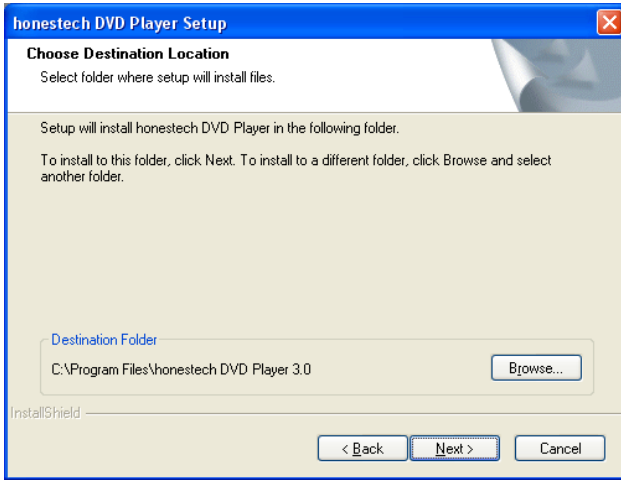

2.2. End-User License Agreement screen will appear as shown below. Read the agreement and if you accept the agreement, select **"I accept the items of the license agreement"** and click **[Next >]** to continue.

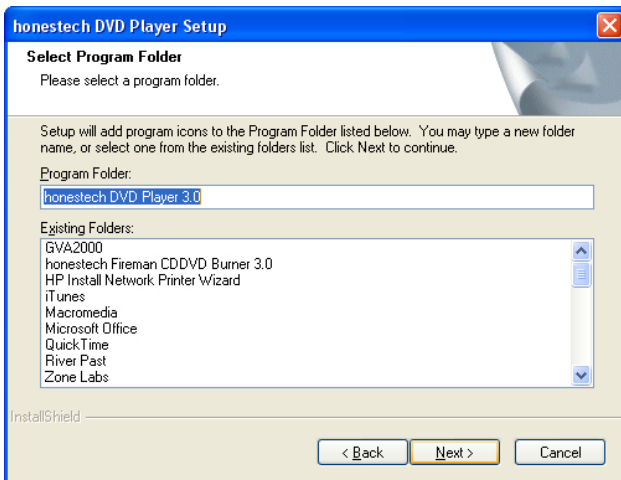

12. honestech

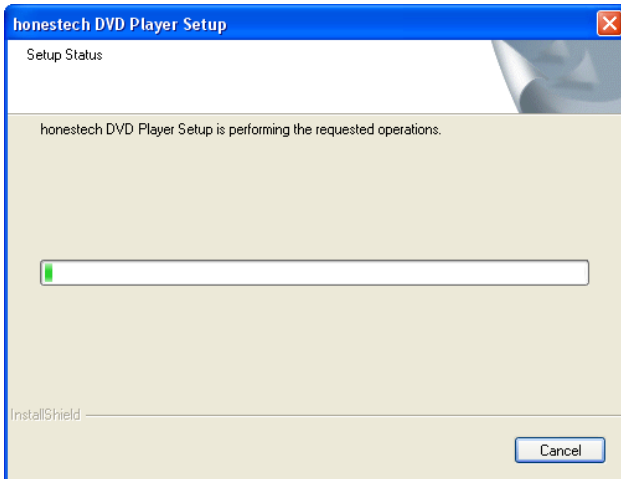

2.3. When “Choose Destination Location” screen appears,, select the default folder setting or change the installation folder by clicking [**Browse...**]. Click [**Next >**] to continue.

2.4. The “Select Program Folder” screen will be displayed. Accept the default Program Folder or choose/create your own Program Folder. Click [**Next >**] to continue.

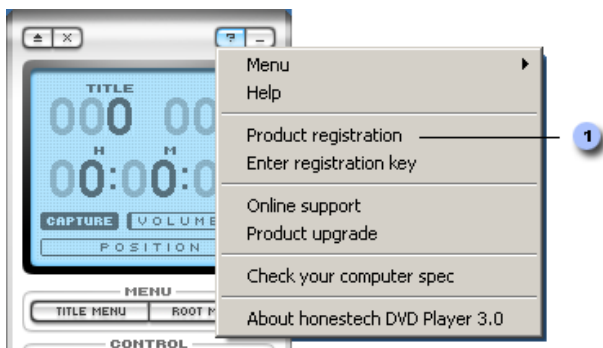

2.5. The Setup Status screen will be displayed to show the installation progress.

2.6. Click **[Finish]** to complete the installation process.

3. Product Registration

Go to Help menu and select Product registration.

Click **[Register Online]** to register your product. If you prefer to mail or fax us the product registration form, please select **[PDF Format]** or **[Word Format]** to download the product registration forms

After entering the product key, a registration key will be displayed on the screen and sent to you via email.

Go back to the **Help** menu and select "Enter registration key". Enter the registration key that

you received.

* When you register your product, you will receive various product updates, patches and discount coupons. The information that you submit will NOT be shared or sold to any other company or entity.

4. Using *honestech* DVD Player Basic Functions

The following sections will explain the basic features and how to use the honestech DVD Player. Please use the Context Menu screen (displayed when you right-click on honestech DVD Player control panel) for reference.

- Open
- Playback
- Menu
- Volume
- Screen Capture
- Movie Jump

4.1. Open DVD or file

You can open a DVD movie or video file by clicking on the “Open” button [] from the *honestech* DVD Player, or by selecting **Disc** from the Context Menu*.

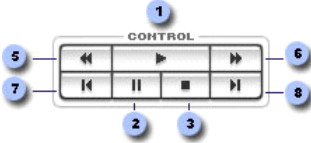

When you click the “Open” button, the “Open menu” [] will appear. Select “Disc” to watch a DVD or select “File Open” to watch a video file.

* Access the Context Menu by right-clicking anywhere on the control panel of the *honestech*

DVD Player. The Context menu [] will appear. Select **Disc** to play a DVD or select “File Open” to play a video file.

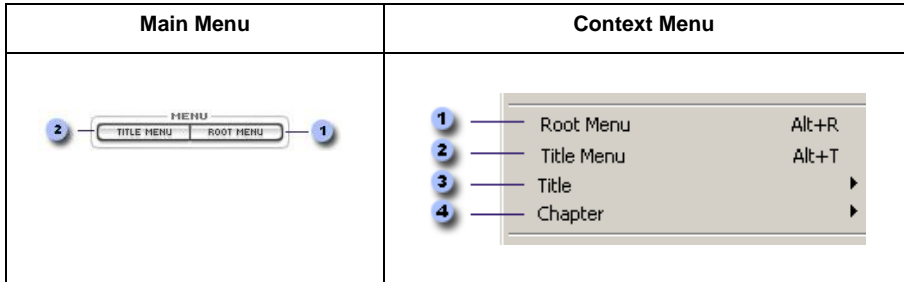

4.2. Playback

Main Menu	Context Menu

3	Stop																								
4	Step Forward	>																							
5	Rewind	R																							
6	Fast Forward	F																							
7	Previous Chapter	P																							
8	Next Chapter	N																							

Buttons:

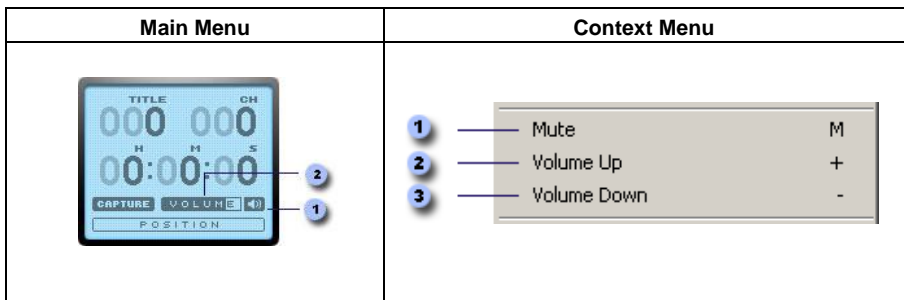

- 1) Play DVD
- 2) Pause the movie.
- 3) Stop the movie.
- 4) Step Forward: Click on the SPACE bar to move frame by frame. Click the Play button [] to return to playback to normal speed.
- 5) Fast Forward: click the [] button multiple times to change the speed; 1x, 2x, 4x, 8x).
- 6) Rewind: click the [] button multiple times to change the speed; 1x, 2x, 4x, 8x).
- 7) Jump to previous chapter.
- 8) Jump to next chapter.

4.3. Menu

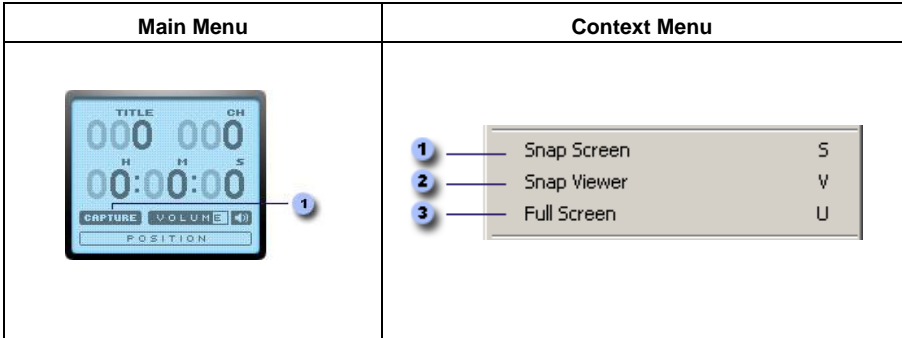

- 1) Root Menu: Go to the main menu of the DVD disc.
- 2) Title Menu: Go to the Title menu to select from available Title Features on DVD. (Typically available on Multi-Title DVDs)
- 3) Title: Go to the title feature of the DVD.
- 4) Chapter: select the chapter you wish to view.

4.4. Volume

- 1) Mute [] : mute/turn off the sound.
- 2) Volume Up : increases playback sound level (Context Menu only).
[] slider : click on the volume control bar to adjust volume (Main Menu only).
- 3) Volume Down: decreases playback sound level (Context Menu only).

4.5. Screen Capture

- 1) Use the Capture button [**CAPTURE**] or Snap Screen [S] from the Context Menu to capture a snapshot of the video playing on the view screen and save it as an image file. Captured screen images will be saved to the "**Snaps**" folder located within the program folder where the DVD player was installed.
- 2) Select "Snap Viewer" from the context menu to view and manage captured screen images.

4.6. Movie Jump

The **POSITION** bar displays the current movie position/progress. Jump to a different point in a movie by clicking within the Position bar.

5. Using *honestech* DVD Player Advanced Functions

This section will explain the advanced features of the *honestech* DVD Player. Most of these features can be accessed from the Context Menu screen (displayed when you right-click on *honestech* DVD Player control panel). Certain features may not be supported depending on the DVD Title that you are using.

- Subtitle
- Language
- View Angle
- Closed Caption
- Menu Language
- SPDIF
- Audio Settings
- Snap Viewer
- Parental Control Password
- Skins

5.1. Subtitle

Use the Subtitle option from the Context Menu, to select a subtitle language from the list available on the DVD.

5.2. Language

Use the Language option from the Context Menu to select a soundtrack language from the list available on the DVD.

5.3. Angle

Select **Angle** from the Context Menu to access and view additional scene angles available from the DVD.

Note: Changing angles may or may not be possible depending on the DVD.

Note: The number of angles may vary from disc to disc

5.4. Closed Caption

Select **Closed Caption** from the Context Menu or press [ALT + C] to enable the closed caption features.

5.5. Menu Language

Use the Menu Language option from the Context Menu to select a different language for the DVD menus. *Limited to the Menu Language options available on the DVD.

5.6. SPDIF

Select the SPDIF option from the Context Menu to enable the SPDIF audio interface.

SPDIF (Sony/Philips Digital Interface), is a digital audio interface which supports 6-speaker audio system. To use this feature, you must have a SPDIF compatible sound card and Dolby Digital/DTS decoder.

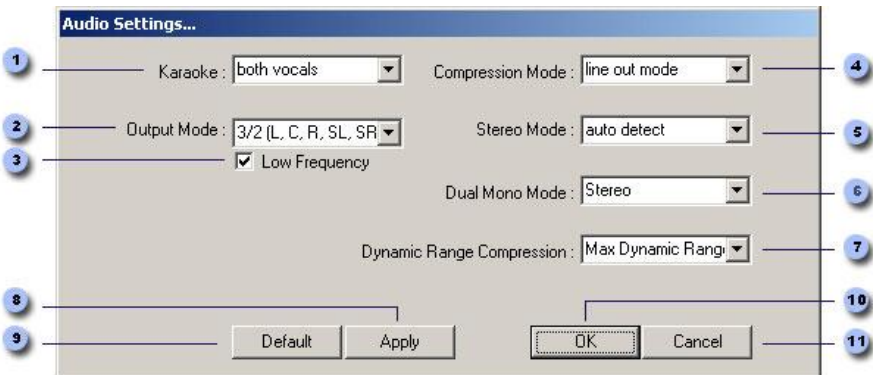

Note: When using SPDIF, the volume CANNOT be controlled by the honestech DVD Player, instead you must use the volume control on the Digital/DTS decoder.

5.7. Audio Setting

Select Audio Settings from the Context Menu to access additional audio settings.

When you click on “Audio Settings”, the following window will be displayed.

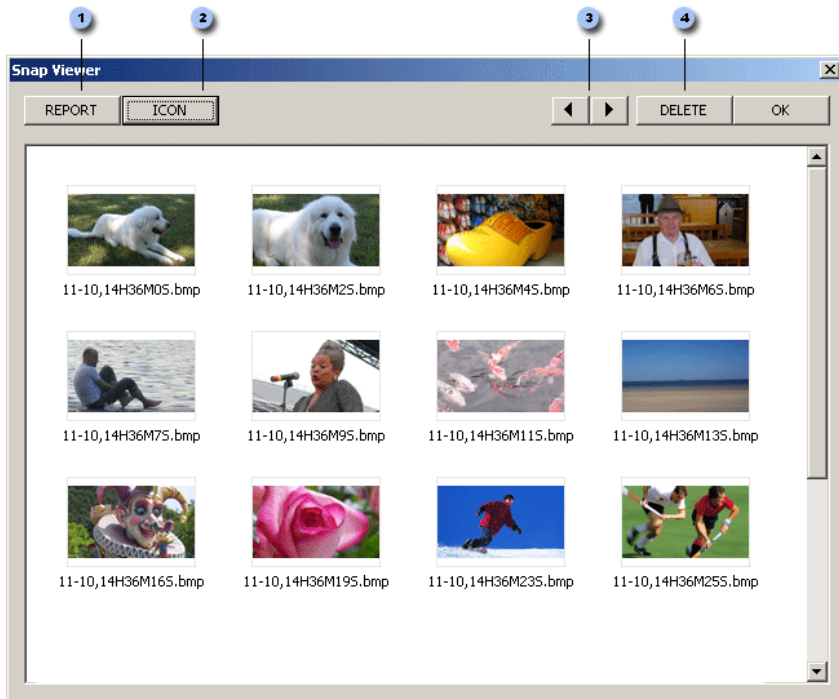

1. Karaoke: select the vocal setting - left vocals, right vocal, or both vocals.
2. Output Mode: 8 options available - 1+1(Ch1, Ch2), 1/0(C), 2/0(L, R), 3/0(L, C, R), 2/1(L, R, S), 3/1(L, C, R, S), 2/2(L, R, SL, SR), and 3/2(L, C, R, SL, SR). Select the appropriate option depending on your speaker system and setup.
3. Low Frequency: Dolby Digital feature which supports 0.1 channel's sub-woofer including LFE (Low Frequency Effect) of 20~120 Hz bandwidth.
4. Compression Mode: compression mode with Dolby Digital decoder; two options to choose from (line out, and RF REMOD).
5. Stereo Mode: two options to choose from; Dolby Surround compatible mode and Stereo mode.

6. Dual Mono mode: Choose from - Stereo, Left mono, Right mono, or Mixed mono.
7. Dynamic Range Compression: available for DVDs that support Dolby Digital technology. Provides additional sound control with the use of up to 11 audio frequency band adjustments.
8. Apply - []: Click to apply audio changes.
9. Default - []: Restore default audio settings.

5.8. Snap Viewer

1	Snap Screen	S
2	Snap Viewer	V
3	Full Screen	U

Select **Snap Viewer** from the **Context Menu** to view and manage screen captures.

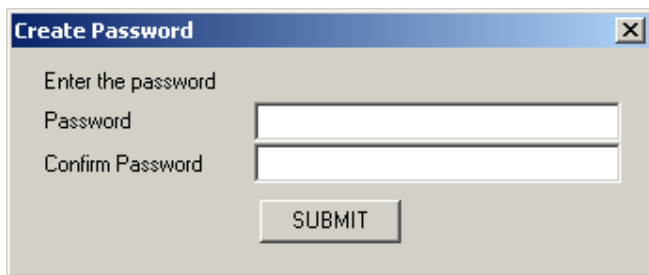

- 1) Select Report to view your screen captures as a detailed list.
- 2) Select Icon to view your screen captures as thumbnail images.
- 3) Select the Left and Right Arrows to Adjust thumbnail image size.
- 4) Select Delete to delete selected image files (multi-selectable).

5.9. Parental Control Password

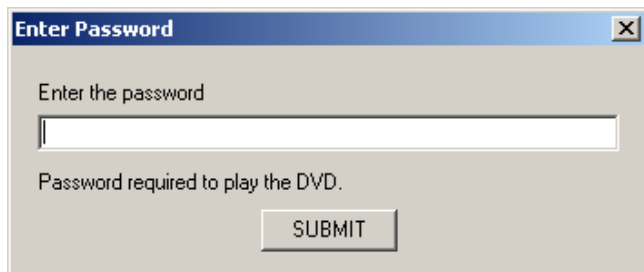

Set a unique password to prevent non-authorized users from using the honestech DVD Player.

Create Password

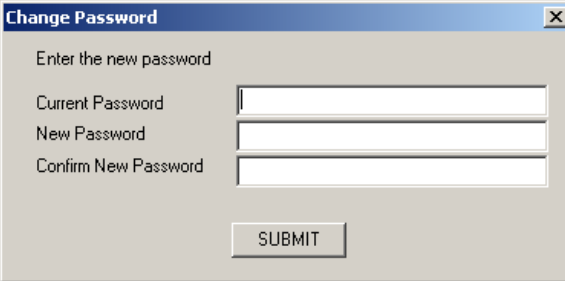

Create a unique password for parental control.

Enter Password

Enter your parental control password to use the *honestech* DVD Player.

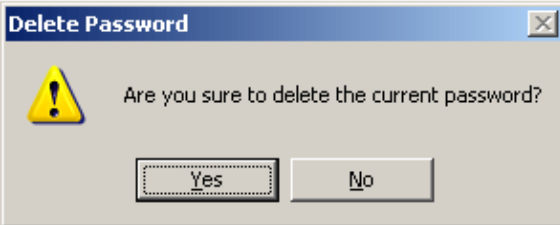

□ **Change Password**

A dialog box titled "Change Password" with a close button (X) in the top right corner. The dialog contains the text "Enter the new password" followed by three input fields: "Current Password", "New Password", and "Confirm New Password". A "SUBMIT" button is located at the bottom center of the dialog.

Enter your current password and then enter and confirm the new password you wish to use.

□ **Delete Password**

A dialog box titled "Delete Password" with a close button (X) in the top right corner. On the left side, there is a yellow warning triangle icon with a black exclamation mark. To the right of the icon, the text reads "Are you sure to delete the current password?". At the bottom of the dialog, there are two buttons: "Yes" and "No".

Delete your current password.

5.10. Skins

Select the Skins option from the Context Menu to change the skin of the honestech DVD Player.

Five skin types are available: Default, Mickey, Ogre, Pumpkin, or Rarity.

6. Uninstall *honestech* DVD Player

Uninstall using program group:

START → PROGRAMS → *honestech* DVD Player → Uninstall *honestech* DVD Player.

Select "Uninstall *honestech* DVD Player". Then click **[Yes]** to begin uninstalling.

The following confirmation message will be displayed.

Please click **[OK]** to complete the process.

honestech Products

honestech

VHS to DVD 3.0

honestech VHS to DVD 3.0 is a revolutionary software that allows the easy and simple production of DVD/CD movies. Now you can save and keep your priceless home videos forever in sharp and crystal clear DVD/CD.

Videotapes can deteriorate over time. Deteriorated videos will have color bleed, white specks, and other distortions. Don't risk this happening to YOUR home video collection!

- Data CD
- Data DVD
- Audio and data CD
- Bootable CD
- Bootable DVD

2. Audio Burning

- Audio CD
- MP3 CD/DVD
- WMA CD/DVD
- Audio and data CD
- Import audio from music CD

3. Video Burning

- DVD
- Video CD
- Super Video CD
- DVD-video files

4. Backup

- Create backup files
- Restore from backup files

5. Utilities

- Erase CD/DVD
- View disc information
- Create disc Label/Cover
- Supports LightScribe

- Can view/slideshow photo
- Create/burn ISO image

BONUS SOFTWARE

- *honestech* DVD Authoring Studio 2.0

System Requirements

- Operating System:
 - Windows XP
 - Windows Vista Ready
 - (<http://www.honestech.com/vista>)
- Processor:
 - Pentium III 800 MHz or equivalent
- Memory: 256MB of RAM
- HDD:
 - Minimum 10GB of free space
- Writer:
 - DVD-ROM, DVD-R/RW, DVD-RAM, DVD+R/RW, DVD-Dual, DVD-Multi, or DVD-ROM/CD-RW drive with 1394, USB2.0, ATAPI, or SCSI interface
- LightScribe:
 - requires optical drive with LightScribe feature
- Audio device:
 - PCI sound card, USB audio box, or integrated sound card
- AGP or PCI graphics card that supports DirectDraw overlay.
- Resolution:
 - minimum of 1024 x 768 or 1280 x 1024 recommended.

honestech **DVD Authoring Studio 2.0**

With *honestech* DVD Authoring Studio 2.0, you can archive up to 27 hours movie in one dual-layer DVD. Create your own high-quality DVD movies with this powerful software. Simply capture video from your web cam, digital camera or TV using your TV tuner/capture device and convert the video into DVD.

Features

1. Ultra-Long DVD format

Archive 16 hours of video on a DVD or 27 hours of video on dual-layer DVD.

2. Capture

Capture videos in various formats from TV capture card and USB camera or DV Camcorder.

3. Import from DVD

Import videos from existing DVD movies.

4. Edit

Edit videos or photo shows, transitions, effects, texts, audios and trims.

5. Menu

Provides various DVD menu themes, and supports motion menu.

System Requirements

DirectX 9.0 or higher

Pentium IV 1GHz or higher

256MB RAM or more

15GB HDD or more

CD or DVD writer

honestech

Video Patrol 5.0

honestech Video Patrol 5.0 provides a comprehensive personal video monitoring surveillance solution. You can monitor your home or office from anywhere with broadband internet access. You can control up to three cameras at a time, send e-mail notices to specified email accounts, and schedule monitoring time slots. You can record surveillance videos in MPEG format when a motion is detected.

Features

1. Basic Surveillance

Record video (in mpeg format) continuously or only when a motion is detected. You can also specify motion from certain area within viewing area of PC camera to trigger the surveillance system.

2. Email Notification

Send email notices to specified e-mail addresses

3. Scheduled Monitoring

Specify desired monitoring time slots for surveillance system to be active. (e.g....: one, daily, or weekly)

4. Multiple PC Cameras

Supports up to three PC cameras, and you select individual detection mode and response action for each PC camera. In order to avoid conflict in device recognition by your PC, we recommend that you use different brand or model for multiple PC camera operation.

5. Data Backup/Burning

You can create backup video files on CD or DVD

6. File List Management

Easily manage the recorded video files with browsing and selection feature for watching or burning.

7. FTP Server Option

Back up your videos by uploading them to your FTP server or burn DVD (if available)

8. Free Online membership (www.my-iptv.com)

View surveillance video from PDA, Sony PSP and PDA mobile phone

System Requirements

- Capture Device:
USB Camera
- Operating System:
Windows XP
Windows Vista Ready
(<http://www.honestech.com/vista>)
- Processor:
Pentium IV 2.0 GHz or equivalent
- Memory:
256MB of RAM
- Other:
DirectX 8.1 or higher
Windows Media Player 6.4 (or higher)
CD Writer for Data-CD
DVD Writer for Data-DVD
- Video Output:
MPEG-1, MPEG-1 VBR

honestech **MY-IPTV Anywhere Deluxe**

MY-IPTV Anywhere provides a sensible solution to set up your own broadcasting company from home. The software allows you to deliver your home or local TV programs to anywhere in the world as long as you have broadband internet access. Experience your local, hometown TV programs while traveling to another city, state or even overseas.

Your local, hometown TV programs can be delivered to you using MY-IPTV Anywhere's built in MPEG-4, H.264 software compression technology.

Once you have registered with *honestech's* free online membership, connection to your home PC and local TV programs is completely hassle free. No need to worry about IP addresses or servers. The connection is peer to peer so you can be assured of a secured connection.

Features
